Responsibilities at **SMARTQ**

FOOD AGGREGATION

You will get multiple opportunities to follow your passion of curating F&B experiences and build invaluable stakeholder relationships.

Here's what you will get to learn and explore-

1 Menu Engineering

Curating weekly menus focusing on eliminating food monotony by bringing variety to the table.

2 Partner Growth

You will play a crucial role by expanding by partner's services nationwide by creating a corporate food brand.

3 Food Experiences

Create moments that surprise employees and deliver aesthetic dining experiences at workplaces and universities.

4 HSEQ Guidelines

You will get to learn industry leading HSEQ practices from the best and ensure partners follow food safety standards.

Why **JOIN SMARTQ?**

- ✓ Our core values are formulated around a unique **RISHTAA model** (Responsibility, Integrity, Servant Leadership, Harmony, Thinking Hatke, Agility, and Analytical Mindset)
- ✓ Experience a combination of the **agility** of a start-up with the **stability** of an MNC
- ✓ A vibrant **employee-centric** culture that rewards your contributions
- ✓ **Cutting-edge technology** and **innovation** that delivers the best **food experience** across sectors
- ✓ An opportunity for **mentorship programs** from seniors and peers
- ✓ A platform to **Explore, Evolve, Emerge**

MESSAGE FROM CEO

We've come to realize that we're not merely in the B2B Food service industry; we're in the business of 'Capturing Hearts.' We find ourselves in a unique position to turn ordinary, mundane corporate cafeterias into places of pure delight, where individuals can freely express themselves, find inspiration, and share happiness. Such a profound transformation opportunity is a rare gift, where the purpose of our enterprise transcends the ordinary. If this vision resonates with you, we invite you to join us in our mission to spread joy and happiness in a world weighed down by stress and pressure. Together, let's play our part in making this world a more beautiful place.
